Section 5. Any time limit imposed upon the handling of grievances shall commence on the date of receipt. Any time limit so imposed shall be interpreted as calendar days.

Section 6. It is understood by the parties that the Union representative or an aggrieved employee may elect to resolve a grievance by first discussing it with the supervisor involved. Whether or not a discussion is held, and the grievance is not resolved, it shall be presented in writing to the Employer as provided for in Section 3. and Section 4. above, and it shall be processed in the following manner:

Step 1: Grievances shall be presented in writing to the aggrieved employee's immediate supervisor for discussion with the Union Steward and the grievant if the aggrieved employee is willing and able to attend. The discussion with the supervisor or his or her designee shall be held promptly after receipt of the grievance and within seven (7) calendar days. The supervisor or designee's written answer shall be made available to the Union Steward within five (5) calendar days after the Step 1 discussion.

Step 2: If no mutually acceptable conclusion is reached in Step 1, the grievance shall then be presented, in writing, to the Employer's Human Resources representative, or designee, which individual shall handle second step grievances for all sites within ten (10) calendar days after the receipt by the Union Steward of the written answer derived from the Step 1 discussion. The matter shall be investigated and discussed by the Human Resources representative, or designee, including such Employer representatives as are needed or appropriate, with the designee(s) of the Union, the grievant if appropriate, and if the aggrieved employee is willing and

able to attend. This meeting shall take place within seven (7) calendar days of the request unless mutually waived. The Human Resources representative, or designee, shall render a decision in writing to the Local Union President, or designee, within fourteen (14) calendar days of the Step 2 discussion.

Step 3: If no mutually satisfactory conclusion is reached at the end of Step 2, either party to this Agreement shall give notice of its desire to arbitrate the grievance by sending a letter to the Federal Mediation and Conciliation Service (FMCS) within forty-five (45) calendar days after receipt of the Step 2 answer, which:

- a.) requests arbitration identifying the grievance and including whatever forms are required by the Mediation Service; and
- b.) requests the Mediation Service to send to each party a list of seven (7) names of arbitrators.

Section 7. No later than fourteen (14) calendar days following receipt of the copy of the lists, a representative of each party shall alternately strike a name until one name is left. The determination of who strikes first may be made by the coin toss with the loser making the first strike. The remaining name shall be the arbitrator for that grievance. Either party may reject a panel of arbitrators and request one additional panel.

Section 8. Any grievance not answered within the specified time periods may be appealed to the next Step of the Grievance procedure immediately. Grievance may be entertained at any Step or the time limits may be changed at any Step by mutual consent of the parties in writing. Failure to timely appeal any grievance will close the grievance.

Section 9. The cost and the expense of the arbitrator and the hearing room shall be shared equally by the parties. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the costs of the other.

Section 10. Not more than a single grievance arising under this Agreement may be arbitrated in a single proceeding before an arbitrator unless by mutual agreement in writing signed by the parties.

Section 11. Any grievance which the Employer may have against the Union shall be reduced to writing and submitted to the chief steward who will promptly arrange a meeting at the Step 2 level of this procedure.

Section 12. A grievance alleging discharge without just cause or grievances concerning layoffs due to a reduction in the work force shall be reduced to writing within seventy-two (72) hours of the Local Union's receipt of written notice of the discharge or notice of layoff or within seventy-two (72) hours after the events should reasonably have become known to the Local Union, and shall be submitted at Step 2. of this procedure.

Section 13. The award of an arbitrator shall be final and binding on the Union, its members, the employee or employees involved and the Employer.

Section 14. The decision of the arbitrator may or may not include “make whole” decisions with respect to back pay, provided, however, if an arbitrator shall award back wages covering the period of an employee’s separation from the Employer’s payroll, the amount as awarded shall be less any unemployment compensation received or other compensation from any source, which the employee would not have received or earned had they not been suspended or discharged, and provided further that any wages from another job with another employer held by the employee at the time of the suspension or termination will not be the basis for any reduction in back pay awarded.

Section 15. The arbitrator shall have no authority to alter, amend or change in any way the terms and conditions of this Agreement and shall confine their decision to a determination of the facts and interpretation, administration of, and compliance with the terms of the Agreement.

- d.) The initial assignment of restricted duty will be for a period not to exceed six (6) weeks and renewable for a second period not to exceed six (6) weeks.
- e.) Assignment to a restricted duty position will be at the employee's current rate of pay and category of employment.

g.) If an employee is a candidate for restricted duty and the work assignment is made suitable to his/her physical condition, skill and qualification, that employee must report to work in that position.

h.) Regardless of the work assignment all benefits and provisions of the employee's collective bargaining agreement will apply.

Section 3. An employee on restricted duty will not be used to cover a vacant position unless the employee is released to perform all of the assigned duties of that position.

Article 31 Leave of Absence

Section 1. A leave of absence without pay may be granted to all full-time and regular part-time employees covered by this agreement after one (1) year of continuous employment for the following reasons:

- a.) compelling personal;
- b.) educational purposes;
- c.) union business;
- d.) extended personal illness; and
- e.) per the Family and Medical Leave Act.

Leaves of absence will be granted automatically in the case of a workers' compensation or disability dispute, regardless of length of employment.

Leaves of absence shall not exceed six (6) months in duration. Employees may request a six (6) month extension before the end of the original six (6) month period. A request for leave of absence will not be denied arbitrarily. Requests for a leave of absence for maternity reasons will be granted. Requests for a leave of absence will not be approved for an employee who is working for another Employer, unless the second job was held prior to the leave request, or in a business owned by the employee, during the course of the leave of absence.

Section 2. An employee's application for a leave of absence must be made in writing to their supervisor, and except cases of emergency, must be submitted at least thirty (30) calendar days in advance of the date the leave is requested to begin. The request must include the beginning and ending dates of the leave being requested. If the request is granted it shall be the employee's responsibility to arrange for coverage of the cost of any employee benefit programs they wish to continue during the leave of absence. The Employer will not contribute toward the cost of any employee benefit program other than basic life insurance while an employee is on a leave of absence, with the exception of a leave of absence under the FMLA (see Section 8 below). Emergency leaves of absence will be granted upon request in the following circumstances:

- a.) to pregnant employees where there is a potential threat to the employee's pregnancy;
- b.) serious illness or injury of an immediate family member or dependent; and
- c.) for a death in the immediate family.

Section 3. Employees who are elected or appointed to office in the Union which represents the employees in the bargaining unit covered by this Agreement, will be granted a leave of absence. Such leave of absence shall be without pay, without loss of seniority, and with continuation of health insurance, life insurance, retirement and dental benefits. It is the employee's responsibility to arrange for coverage of any deductions usually taken from salary checks for these benefits and failure to make such arrangements with the Human Resources representative will be cause for the Employer to terminate the benefits during the leave of absence. The employee will return to last prior position and shall be applied for as provided in Section 2. above.

Section 4. The granting of a leave of absence will protect the employee's hire date for all purposes for which a hire date is used. If an employee returns from a leave of absence within ninety (90) days, or up to a semester for an educational leave, from the effective date of the leave, then he/she will be returned to his/her original position. If an employee returns after ninety (90) days, or up to a semester for an educational leave, from the effective date of the leave, then he/she will be returned to a position of equal rank and status if such a position is available. Every reasonable effort will be made for an employee to return to the position held when the leave began. If there is no such position, the employee would then be placed on layoff status. It is understood that once an employee is on layoff status, that employee will be entitled to all recall rights outlined in the Article 41, Seniority. An employee returning from a leave of absence should contact their supervisor at least seven (7) calendar days prior to the expected return date to determine whether a suitable position is available.

Section 5. The returning employee may need to obtain medical clearance from his/her private medical doctor prior to returning to work following a leave of absence. If an employee is not medically cleared to return to work, they will be eligible to apply for New York State Disability. Employees returning to work following a leave of absence for other than personal illness shall obtain medical clearance only if they missed their yearly health screens while on leave. Employees returning to work from a leave of absence must make arrangements to re-enroll in their benefits.

Section 6. Failure to return to work on the first work day following expiration of a leave of absence or an extension thereof, will be considered as a voluntary termination of employment, except in instances when the expiration date of an approved leave of absence falls within a period for which the employee is receiving New York State Disability benefits.

Section 7. Employees who take a leave of absence may return to work prior to the scheduled expiration date of the leave after complying with Sections 4. and 5. above.

Section 8. Family and Medical Leave Act (FMLA)

- a.) An unpaid personal leave of up to twelve (12) weeks during any twelve (12) month period related to a family medical necessity, for employees covered by this Agreement, will be granted under the provisions of the Family and Medical Leave Act of 1993 and this collective bargaining agreement. Family medical necessity will be defined as:

- (1) For a birth, or placement of a child with the employee for adoption or foster care and to care for such new child.
- (2) In order to provide care for a son, daughter, spouse, parent, dependent or domestic partner who has been diagnosed with a serious health condition.
- (3) For a leave for the employee's own "serious health condition", if the condition makes the employee unable to perform the daily functions of his/her position.

If an employee's spouse is also an employee, each may take twelve (12) weeks of leave as provided herein.

- b.) Leaves of absence will be granted under the provisions of the Family and Medical Leave Act of 1993 under the same terms and mechanisms outlined in Sections 1. and 2. or after the employee has reached 1,040 hours of service, inclusive of all paid time-off, and union representation time, paid or unpaid, during the twelve (12) month period preceding the leave. The form to be utilized in applying for all leaves should be obtained from Human Resources.
- c.) The following definitions shall be applicable:
 - (1) Son or daughter – a biological, adopted or foster child, step child, legal ward or child of a person standing in “loco parentis.” Dependent – a person who the employee will claim as a dependent on their federal income tax for the year in which the leave is taken.
 - (2) Serious health condition – an illness, injury, impairment or physical or mental condition involving either:
 - (a) Inpatient Care involving at least an overnight stay in a hospital, hospice or residential medical care facility. FMLA leave based on this portion of the definition also extends to any period of “incapacity” (defined as inability to work due to the serious health condition or recovery from that condition), and any subsequent treatment (including examinations to determine the existence of a serious health condition), in connection with the inpatient care.

OR

- (b) Continuing Treatment by a health care provider. FMLA leave based on this portion of the definition is available in any one or more of the circumstances described in (A) – (E) below:
 - (A) A period of incapacity of more than three (3) consecutive calendar days and any subsequent treatment or period of incapacity relating to the same condition that also involves:

- (i) treatment two or three times by a health care provider (or by others, under the supervision of or on orders of or referral by a health care provider), or
 - (ii) treatment by a health care provider on at least one occasion that results in a regimen of continuing treatment (e.g., a course of prescription medication or therapy requiring special equipment) under the supervision of the health care provider.
 - (B) Any period of incapacity due to pregnancy, or for prenatal care.
 - (C) Any period of incapacity, or treatment for such incapacity, due to a chronic serious health condition, which is defined as one that:
 - (i) requires periodic visits to a health care provider;
 - (ii) continues over an extended period of time; and
 - (iii) may cause episodic rather than a continuing period of incapacity (e.g., asthma, diabetes, epilepsy, etc.).
 - (D) A period of incapacity which is permanent or long term due to a condition for which treatment may not be effective. The employee or family member, dependent or domestic partner must be under the continuing supervision or, but need not be receiving active treatment by, a health care provider. (Examples include Alzheimer, severe stroke, or the terminal stages of a disease).
 - (E) Any period of absence to receive multiple treatments (including any period of recovery) by a health care provider (or under orders of, or on referral by, a health care provider), either for restorative surgery after an accident or injury, or for a condition that if left untreated would likely result in a period of incapacity of more than three (3) consecutive calendar days, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), and kidney disease (dialysis).
- d.) An eligible health care provider could be a doctor of medicine, an osteopathic doctor, a podiatrist, a dentist, a clinical psychologist, an optometrist, a chiropractor (for certain conditions), a nurse practitioner or nurse midwife, or certain Christian Scientist practitioners.
 - e.) An employee may take intermittent leave or may work a reduced leave schedule to reduce the usual number of hours per day or work week, as provided for by the FMLA. Prior approval, as per the FMLA, will be required. An approved request for intermittent FMLA leave is active for a maximum of one (1) year and must be re-approved after one (1) year if intermittent leave is still needed. The employee may periodically be required to provide re-certification of the need for

intermittent FMLA leave, but not greater than once in a thirty (30) day period. The Employer will require medical certification of a serious health condition from the employee's physician. Once the leave is certified, Corporate Benefits shall have the sole responsibility for requiring re-certification. Failure to provide medical certification when required may result in denial of the leave.

- f.) A "rolling" twelve (12) month period measured backward from the date an employee uses any FLMA leave is used to determine the "twelve (12) month period" in which the twelve (12) weeks of leave entitlement occurs.
- g.) Eligibility for leave based upon the birth or adoption of a child expires at the end of the twelve (12) month period beginning on the date of birth or placement.
- h.) In cases where the leave is foreseeable, the employee must provide the Employer with at least thirty (30) days advance notice of the leave. If the leave must begin in less than thirty (30) days, the employee should notify the Employer at the earliest time possible. If an employee fails to provide thirty (30) days notice for a foreseeable leave with no reasonable excuse for the delay, the leave may be denied until at least thirty (30) days from the day notice is provided.
- i.) Employees on a leave of absence granted under the provisions of the Family and Medical Leave Act of 1993 for illness of a family member will be entitled to medical and dental insurance coverage for a period of twelve (12) weeks if such employees are currently participating in the medical and dental plans. The twelve (12) week period of jointly paid health insurance, will include any period of disability for which the Employer has paid its share of the health insurance premiums.
- j.) Any employee on a leave of absence granted under the provisions of the Family and Medical Leave Act of 1993 for a period not to exceed twelve (12) weeks will be returned to his/her job at the end of the leave. If the leave exceeds twelve (12) weeks, he/she will be returned to a position of equal rank and status.
- k.) The time period for any period of absence which can be covered by FMLA, including NYS Disability or Workers' Compensation shall include and run concurrent with the time period for any leave required by the Family and Medical Leave Act.

Section 9. No employee shall be required to substitute accrued paid time off toward the aggregate of the leave but may substitute accrued paid time off to the leave if they so desire. The exception to this rule is in the case of an employee taking intermittent FMLA. In that instance, all time absent from work must be covered by accumulated PTO, if available.

Section 1. The Employer recognizes that the continuing educational development of employees is essential to the delivery of quality health care. Hence, the Employer provides tuition assistance for eligible employees in the CWA bargaining units who seek additional training in order to increase their confidence in present jobs or to prepare themselves for advancements into more responsible positions with the Employer in the procedure outlined in Sections 2. through 7. below.

Section 2. A course as defined under the tuition reimbursement plan must meet the following requirements:

- a.) it must have a defined curriculum;
- b.) it must provide credit toward a degree or completion of a prescribed program of study; and
- c.) it must be offered through an accredited program.

A course that meets the above definition will be considered for eligibility under the tuition assistance program if it is job-related and also meets one of the following criteria:

- a.) the course is expected to build competencies and strengthen the performance of the employee on their present job;
- b.) the course is considered a prerequisite for the job presently held or of the job next in line of an obvious progression;
- c.) the course is prescribed for the attainment or maintenance of a program of study or degree in an academic or business that is compatible with the interests of the Employer and the employee.

Programs eligible under Article 39, Continuing Education Program, are not eligible under Tuition Assistance.

Section 3. Procedure:

- a.) Regular full-time and regular part-time employees with one or more years of continuous service prior to the commencement of the approved course shall be eligible for tuition assistance provided they remain in an active status for the duration of the course(s). Employees classified as per diem, non-benefited, inactive and temporary are not eligible for the educational assistance.
- b.) Department heads shall examine the request for tuition assistance from employees within their departments. Approval shall be granted to eligible employees based on the definition in Section 2. above and the eligibility requirements in Section 4.
- c.) While courses must be submitted for approval on a course by course basis, requests to approve degree programs must be approved by the senior manager of the department and the Corporate Benefits department.
- d.) Prior to enrollment in the course, the employee must obtain management approval on the Request for Tuition Reimbursement form verifying that the course meets the eligibility criteria in Section 2. above. Courses, which do not have

management approval prior to the course start date, will not be eligible for reimbursement.

- e.) It shall be understood and communicated that this program is a reimbursement system. Employees shall be responsible for all initial payments to the school or other educational organization.

Section 4. The amount of tuition assistance offered by the Employer shall be a function of length of service, and a passing grade. The schedule of payment is as follows:

LENGTH OF SERVICE:	1-4 YEARS	OVER 4 YEARS
Satisfactory/Pass	75%	100%
Unsatisfactory/Fail	0%	0%
Maximum/Calendar Year	\$1,000.00	\$1,000.00

The employee will not be eligible to receive reimbursement for the same course more than once.

Section 5. Application of the maximum, outlined in Section 4. above, shall be determined by the completion date of the course. For example, a course is completed in December 1999 and reimbursement request is submitted in January 2000, the amount reimbursed will be charged against the 1999 calendar year maximum.

Section 6. Payment will be made directly to the employee upon submission of the following to Corporate Benefits:

- a.) Copy of tuition reimbursement form signed by employee's manager to verify that the course of study has been approved.
- b.) Final grade for the course.
- c.) Submission of itemized receipt verifying the payment made to the institution detailing the cost of tuition, fees and documentation of any stipends or scholarships if applicable.

The Payroll Department will make payment directly to the employee's regular paycheck after Corporate Benefits has approved the reimbursement. Tuition reimbursement requests will be processed within two (2) full pay periods of the date received in Corporate Benefits. The employee will have six (6) months from course end date to submit the appropriate information. Any applications received after the six (6) month period will not be processed.

Section 7. No tuition assistance will be paid regardless of prior approval unless the student is still an eligible employee in a covered status throughout the course. Employees who, at the request of the Employer, change job categories to an ineligible job status during the course of their outside training, shall be reimbursed on the same basis as if they had remained eligible for assistance.

Section 8. An employee who voluntarily terminates his/her employment with the Employer shall be required to refund any tuition assistance payments they received during the twelve (12) month period immediately preceding the effective date of termination.

Article 39 Continuing Education Program

Section 1. A continuing education program will be defined as workshops, conferences, training sessions, continuing education classes or inservices which contribute to an employee's career development. All employees will be eligible to participate in continuing education programs. Participation will be based on the following guidelines.

- a.) If a continuing education program is mandated by the Employer, the Employer will be responsible for all of the costs associated with that program.
- b.) The Employer will budget three thousand dollars (\$3,000.00) annually for the purpose of continuing education.
- c.) The annual budget for continuing education is intended to cover expenses related to program registration fees and/or travel expenses for areas not addressed by the Employer's internal education programs. Lost time wages may be approved by the employees' immediate supervisor, over the budgeted dollars outlined above, based upon the budget and staffing in the cost center.
- d.) An application for continuing education money will be made to the employees' immediate supervisor on a form provided by the Employer. The application will be reviewed and an approval or denial granted, within two (2) weeks of the request being made.
- e.) Such requests will be approved based upon course content (new, or improvements in current, job related skills) and the availability of continuing education dollars, which remain at the operation center.

Section 2. For the purpose of equitable distribution of continuing education dollars, the funds will be made available on an annual basis and on a first come, first serve basis.

Article 40 Domestic Partner

Section 1. A domestic partner will be defined as a person over age 18 who shares living quarters (for a minimum of six [6] months) with another unrelated adult in an exclusive, committed relationship in which the partners are responsible for each other's common welfare and are financially interdependent. To be eligible for the benefits outlined in other provisions of this Agreement, a domestic partner must be specifically listed in the Article and must be registered with Human Resources on a form provided by the Employer.

Article 41

Seniority

Section 1. Seniority shall mean the length of unbroken service of an employee covered by this Agreement beginning with their most recent date of hire by the Employer in any job classification whether or not it is or was in the covered bargaining unit.

Section 2. Seniority shall be lost and an employee shall be terminated when he/she:

- a.) resigns or quits;
- b.) is discharged for cause;
- c.) retires, with or without qualifying for benefits under the Employer's retirement plan or Social Security;
- d.) refuses to recall from layoff or fails to report from a recall within fourteen (14) calendar days;
- e.) fails to report to work on the date agreed upon for return from a leave of absence;
- f.) is absent for three (3) consecutive regularly scheduled shifts without notification to the Employer unless the employee can prove complete inability to notify the Employer;
- g.) is laid off for a period equal to their length of service or a minimum of one hundred and four (104) weeks;
- h.) is absent due to illness or injury for more than fifty-four (54) consecutive weeks or is absent due to Employer connected illness or injury covered by workers' compensation for more than seventy-eight (78) consecutive weeks. The Employer will provide an employee on workers' compensation or disability, four (4) weeks' written notice by certified mail to the employee's last address of record, that the above periods are due to expire.

Section 3. The Employer shall maintain an updated seniority list that will be available for inspection by members of the bargaining unit.

Section 4. An employee with at least twelve (12) months of seniority who terminates his or her employment for reasons other than those constituting just cause and is rehired within one (1) year from the date of termination of service shall, after completing twelve (12) months of service, receive his or her original seniority date(s), adjusted for the period of separation.

Section 5. In any instance where seniority is used in this Agreement and two (2) or more employees share the same date the following procedure will be followed:

- a.) The last four (4) digits of each employee's Social Security number will be considered as a whole number; the lowest number is the most senior. For example; Employee A – SSN = 711-04-1501, Employee B – SSN = 325-67-2738 Employee A is senior.
- b.) In the event that the last four (4) digits are equal; add all nine (9) of the number in the SSN and the total lowest number will be most senior.

For Example:

Employee A – SSN = 711-04-1501

Employee B – SSN = 325-67-1501

Then:

Employee A – $7+1+1+0+4+1+5+0+1=20$

Employee B – $3+2+5+6+7+1+5+0+1=30$

Employee A is senior.

Article 42 Job Bidding

Section 1. All job vacancies will be posted as follows:

- a.) The position will be posted in a prominent place where members of the bargaining unit work for seven (7) calendar days.
- b.) The posting shall include the position (job title), posting dates, status, hours per pay period, shift, starting and ending times, pay grade and the qualifications for the position as defined in the job description for the position. A copy of all job postings will be sent to the Union.
- c.) Employees may not be accepted for posted positions until they have completed six (6) months of employment. In addition, an employee who has transferred to a position must remain in that position for six (6) months before applying for another posted position. Except that an employee may apply for a posted position which is at a higher pay grade without regard to the six (6) month limit. This paragraph shall not apply to intra cost center shift change or intra cost center status changes.

Section 2. Posted positions shall be filled by the most senior qualified applicant from within the bargaining unit. If the position cannot be filled from within the bargaining, the Employer may fill the position from any source available to the Employer, provided the candidate meets all of the qualifications for hiring into that position. In all instances, the appropriate manager is responsible for the interview and selection of applicants within fourteen (14) days of the end of the posting.

Section 3. A qualified applicant shall be defined as an employee who possesses the entry level qualifications in the job description and is able to do the work when required. Ability to do

the work and documented performance, inclusive of disciplinary record, may be considered when awarding a position. The Employer will notify all applicants of the result of their bid in a timely manner not to exceed two (2) weeks from the date the position is awarded.

Section 4. A successful bidder shall be required to serve a thirty (30) calendar day trial period exclusive of any classroom training required. At the midpoint of the trial period the employee shall be evaluated and given written notification if a problem exists. During the trial period, the employee will be returned to his/her original position if the employee elects to be returned or the Employer finds the employee is unsatisfactory in the new position.

Section 5. The decision as to whether any vacancy in any job classification exists, and if it will be filled, is reserved to the Employer.

Article 43 Layoff and Recall

Section 1. In the event it is necessary to layoff employees covered by this Agreement, or to eliminate a filled position covered by this Agreement, such layoffs or eliminations will be done as follows:

- a.) by providing the Union with the complete plan for staff reduction;
- b.) by subjecting to layoff the least senior employee or employees in the job title, unit and category of employment;
- c.) all temporary and then probationary employees in the job title and unit in which a layoff is to occur will be terminated prior to any regular employee;
- d.) an employee with seniority who is subject to layoff will have the option of a bump within his/her unit, within the same job title, but to a different category of employment;
- e.) regular part-time employees with seniority who are subject to layoff will have the option to bump the least senior regular part-time employee who is hired to work the equivalent number of hours. For example: a regular part-time employee who is hired to work thirty (30) hours per week may bump the least senior employee who is hired to work thirty (30) hours per week; in accordance with the steps in Section 2. below;
- f.) employees may volunteer to be subjected to layoff, by seniority, in the job titles, unit and category of employment.

Section 2. When an employee with seniority is subject to layoff or has their position eliminated under Section 1. above, such affected employee shall be placed in a position in the bargaining unit in the following sequence:

Step 1: First, they shall be assigned to any vacant position in the bargaining unit which is their category of employment and job title. If there is a vacancy in another

category of employment with lesser hours which has not been filled by an employee in that category during Step 1 of this procedure, an employee may opt to fill that vacancy.

Step 2: Second, if no such vacancy exists, an employee would be permitted to bump any probationary employee in their unit, category of employment and job title.

Step 3: Third, if there are no probationary employees who may be bumped, then the employee subject to layoff may bump the least senior employee in their category of employment and job title.

Step 4: Fourth, if the employee cannot be placed in their category of employment and job title, they shall be offered the option to bump the least senior employee in their job title.

Step 5: Fifth, if there is no less senior employee in their job title the employee may bump any less senior employee in their grade, provided the employee meets the requirements for hiring into that position.

Step 6: Sixth, if the employee cannot be placed as outlined in Steps 1 through 5 above the employee shall be laid off.

Section 3. When an employee is bumped, they shall have all the rights of this Article as if they were originally subject to layoff, beginning with Section 1. of this Article.

Section 4. At other than Step 1, the employee may elect a layoff. A refusal to accept a position for which the employee meets the requirements will result in the employee being laid off at that point.

Section 5. It is understood that the employee's response must be provided to the appropriate Human Resources representative within twenty-four (24) hours of the time they were informed of their option(s). Failure to timely respond shall be considered as a waiver of the option(s) and the employee will be laid off.

Section 6. The Employer shall give a minimum of seven (7) days notice of layoff.

Section 7. Employees will be recalled from layoff in order of seniority to any open job within the bargaining unit provided they have the ability to perform the work available. If the opening is in a different category they will have the option to refuse such offer up to two (2) times during the layoff period. Following such refusal the employee will continue to have recall rights to a position in their job title, category of employment and shift as per Section 2.

Section 8. Recalls from layoff will be by certified mail to the employee's last known address, and will give the employee a minimum of fourteen (14) calendar days to report for work after such notification.

Article 44 Downsizing

Section 1. The Employer and the Union recognize the need for a system to temporarily downsize the staff if the census/workload drops. If it becomes necessary to temporarily reduce the number of employees in a unit, the reduction will be completed as follows:

- a.) any scheduled agency personnel in the units will be canceled;
- b.) any scheduled overtime (time paid at time and one-half) will be canceled in inverse order of seniority;
- c.) volunteers will be offered paid time off in order of seniority on a rotating basis;
- d.) per diem employees who are scheduled will be canceled and/or reassigned as per needs within the unit/department;
- e.) any scheduled hours in excess of an employee's normal workweek, or in the case of regular part-time employees, in excess of the minimum weekly hours for which they are hired will be canceled in inverse order of seniority. (Such employees may use accrued paid time off); and then
- f.) volunteers will be offered excused absence time without pay in order of seniority on a rotating basis.

Section 2. The Employer will make every effort to contact bargaining unit members at least one (1) hour prior to the start of the shift if they are to be canceled.

Article 45 Personnel Files

Section 1. Employees who have completed their probationary period shall have access to their own personnel file during reasonable working hours, provided they have their supervisor's permission to leave the work place, and may be accompanied by a Union representative during an inspection of their file. Requests for such inspection shall be made to the Human Resource representative and shall be reasonable as to frequency. All documents placed in the employee's file shall be initialed and dated by the employee at the time of examination. Employees may request copies of documents from their personnel file.

Section 2. Such initialing shall not constitute agreement with its content. The employee shall have the right to respond in writing to any document in the file. Such response shall become part of the employee's personnel file.

Article 46 Job Descriptions

Section 1. All job descriptions which are currently in place shall remain in effect.

Section 2. Should it become necessary to change existing job descriptions, the Employer will produce a suggested change in writing thirty (30) days prior to the proposed implementation, and give the Union an opportunity to discuss it. If the Union disagrees with the rate of pay as proposed by the Employer, they may file a grievance at Step 2 of the Grievance Procedure Article of this Agreement, provided it does so within twenty (20) calendar days from the date on which the revision or rate is set and announced.

Section 1. The Employer commits to a policy of progressive discipline. Progressive disciplinary measures will include the following:

- a.) verbal warning;
- b.) written warning;
- c.) suspension;
- d.) termination.

It is understood, however, that nothing in this Article shall prohibit the Employer from advancing the level of discipline in proportion to the seriousness of the offense. A copy of the disciplinary action shall be given to the employee and the Union.

Section 2. Counseling shall not be considered as discipline and should precede any formal disciplinary action.

Section 3. No disciplinary action will be taken without just cause. The Employer will notify the Union, in writing, of a suspension or discharge within seventy-two (72) hours or as soon as reasonably possible, stating the reason for the discipline.

Section 4. Progressive Remediation:

- a.) The Employer shall identify certain corrective actions which are needed to assist and support an employee when a problem occurs in the course of performing his/her job and will provide the employee with a written plan of correction at the written warning step or suspension step if the suspension step is where the discipline process begins.
- b.) When the employee has demonstrated consistent improvement in performance as a result of the remedial program the documentation of the need for discipline will be removed from the employee's personnel file. It is agreed that documentation of corrective disciplinary measures shall not remain in the employee's personnel file for a period longer than the following providing the behavior in question does not recur:
 - i.) Verbal warning: six (6) months from the date discipline imposed.

- ii.) Written warning: twelve (12) months from the date discipline imposed.
- iii.) Suspension: eighteen (18) months from the date discipline imposed.

The time periods referred to above shall refer to actual time worked.

- c.) The Union and the Employer agree that the written plan of correction shall not be required when there are non job performance problems.
- d.) It is further agreed that this Article does not preclude the Employer from the initiation of disciplinary action for serious performance problems at a higher step despite the absence of a written plan of correction.

Article 48 Resignations/Terminations

Section 1. An employee wishing to resign shall give the Employer two (2) weeks notice of resignation. Resignation notices should be submitted in writing and specify the last day the employee is to be at work.

Section 2. The employee who resigns employment with the Employer and complies with the notice provisions of Section 1., or who is terminated by the Employer, will receive pay for all accrued, unused paid time off in accordance with Article 22., Paid Time Off.

Article 53 No Strike – No Lockout

Section 1. There will be no concerted failure to report to work, cessation or interruption of work, slowdown, strike, picketing, or lockout during the term of the Agreement.

Section 2. No officer or representative of the Union shall authorize, instigate, aid, or condone any such activity, nor shall any employee participate in such activity. In the event any employee or group of employees covered by this Agreement shall participate in any such unauthorized strike, slowdown, work stoppage, or picketing, the Union agrees that immediately after being notified by the Employer, it will direct such employee or group of employees to resume work and will take effective means to terminate such unauthorized conduct including the issuance of a notice to the effect that such conduct is neither authorized nor approved by the Union or its officers.
